<p>Police Scotland</p>	<p>Regarding last meeting, Police Scotland were asked if they could join within the meeting with our local Councillors ref the vandalism & damage to the school grounds at weekends. This was not possible due to the Queens Funeral and the Inspector at Police Scotland has replied to say he has been in touch with the school along with a visit from the local community police officers. They will now arrange a meeting with the school , Councillors and police security personnel and try to assist the school going forward. <p>GCPG</p>	<p>A new list of courses and meetings available to Parent Councils was received. This was posted on the PC Members WhatsApp page.</p>		

Fundraising :			
Fundraising Ideas	Due to time the PC aim to meet prior to the next meeting to discuss fundraising and a disco at Christmas. As this will be the first for a few years we need to ensure we can raise the parent support to allow this to proceed. This will then be discuss at Novembers meeting.		

Any Other Competent Business :			
Gardening Volunteers	The Headteacher is proposing an Autumn / Winter Gardening programme for parents to volunteer when they would have time. There are many areas of the school that have been developed for the pupils but they are not being kept within a good condition due to lack of time and GCC help. The PC will put out a message on their social media to ask parent volunteers to help and possibly look after a small area.		
Parent Pay	<p>Due to the change in the lunch orders due to using the App, the up take has been very low resulting in pupils who use the App not getting their chosen lunch. The school will now allow pupils who have used the app through first for dinner as per the group call message to all parents.</p> <p>The PC asked if there would be many parents who don't have access to the internet and may struggle. The school is only aware of 8 families that don't have access and they will assist them where they can.</p> <p>The system that's in place is for all schools as set by GCC and not the school. Eventually all access to pupils details will be part of these apps as we move away from paper reports and handling money at schools across Glasgow.</p>		
Standing Items	Standing items that Parent Council provides annually will be minuted at the next meeting. This is due to the Treasurer not being available at the meeting. We aim to save time by putting a draft list together at the meeting prior to November and then discuss with members.
