Apologies	

Item Discussed	Action Required / Outcome	Action By	Completed Date
Chairperson	<p>This meeting has been completed as a virtual Parent Council Meeting and is to mainly serve as a list of points of the last meeting and any points that have been raised since then due to the PC not being able to meet and discuss with the school any raised points due to the Covid-19 lockdown.</p> <p>We are always on hand to lend support to Mr Coogan and the teaching staff in any way that we can help during this school closure period & lockdown. This could be in the form of helping get information through the parents & carers or help set up projects to help the school.</p> <p>We do hope that all the kids, parents, staff and PC members stay safe and follow the guidance and that it will be not long until the kids meet all their friends again.</p>	RWJ
