P4 - 7 pupils attending school should enter and exit via the upper school gate.

There is currently no breakfast club running.

Parents and carers please remember to wear face coverings at the school gate and pick up and drop off as quickly as possible.

Please do not stand around the school gates when you drop your child off in the morning.

Thank you to all parents for your hard work and dedication to your children's learning over the past 6 weeks. We know it has been challenging!
