

# HT Parent Council Report

Report for 1<sup>st</sup> September 2026

## **Football Team**

This year's football team will train with Andy from United Sports. Andy held trials for P7s and P6s and has now selected the team.

The team will participate in monthly tournaments are Nethercraigs.

There will also be a girl's football team. We are still waiting for details of their tournaments.

Andy will also work with all P5 – 7 classes during curriculum time this session developing personal qualities linked to PE for example resilience and self-esteem.

## **Credit Union**

We will soon begin the process of recruiting and training Credit Union volunteers from our P7 year group, with a view to beginning collections after the October holiday.

## **Open Afternoon**

We will not have a whole school open afternoon this year. Primary 1 have an open afternoon next week. Other classes will have their class assembly at some point throughout the year.

## **Reading**

Both paired reading and reading with dogs will continue this school session. Thank you to the parent volunteers who support our paired reading program.

## **Story Station**

This has been delayed in being back up and running due to Mrs King's absence. We hope to have this up and running in Term 2.

## **Barnardo's**

To continue to support children's mental health and wellbeing and improve attendance we have Maggie a worker from Barnardo's in school every Monday. We have asked Maggie to run a family group every week to support parents/carers who have children with additional needs. Maggie will aim to incorporate other wider supports for families and advertise when the weeks these are happening.

## **Careers Day**

Mrs Strang has sent out the leaflet below looking for any parent who themselves can help out or who know anyone that could help.

Any volunteers would be very much appreciated.
