

HT Parent Council Report

Report for 1st October 2024

Whole School Open Afternoon

This was a huge success as always and many wonderful comments were left on our class sign in sheets. These are very much appreciated by staff.

Curriculum Rationale

This is now displayed at our front entrance. The school website has more details of this. We have used school fund to pay for a welcome sign in the entrance way also. We have displayed our main achievements from last session and the main areas we are working on this session. The SQR (Standards and Quality Report) with these on it is also available on our school website.

Scottish Maths Week

This was a great success and the homework task was the best response we have had to a homework task (1/3 of the school completed this).

MacMillan Coffee Morning

Information has been sent out to parents about our MacMillan coffee morning this Thursday. We hope parents will support our charity event and we look forward to welcoming everyone in for a wee cuppa and a cake.

Halloween Disco

The school are organising the Halloween Disco as a school fundraising event. Information will go out to parents this week. The date of this is on twitter (30th October). More detailed information will go out after October holiday.

Halloween Hamper

Our admin staff have organised Halloween Hampers with generous donations from local business. We are very grateful for everyone's generosity! We hope this will be a great fundraiser for school funds.

Kindness Kafe

This room is finally almost finished! Jim has been painting for a few weeks and Miss Logue has added her usual burst of colour. It is looking amazing and we will post photos once it is revealed to children. We hope this will be on Tuesday 8th October. It has been renamed the Zen Zone.

Reading Books

Thanks to the generosity of the Parent Council and also using school funds we have managed to re-stock our reading scheme for P1- 4.
We plan to do a small make over on the library area over the next month and will use some of the Parent Council donation for this also.

Play Along Maths and Fun with Words

These parental engagement workshops will start up in Term 2. Over term 2, 3 and 4 these will be offered to P1 – 3 parents.

Pupil Groups

Pupil Groups have now been created for this session. The new groups will be on our school website by the end of this term.

Local Area Walks

Many classes are going out of school into the local area as part of their learning. For example, a number of classes have been out on Autumn walks and P2 will be going out to look at different types of houses in the local area.
