

# HT Parent Council Report

## Report for 3<sup>rd</sup> February

### Staffing

Parents were informed in recent newsletter of Mr Coogan's absence. In this time Mrs Waddell is working full time as Acting HT and both Mrs King and Mrs Strang are full time Principal Teachers.

Ms Mohd has reduced her hours and no longer works on a Friday.

We have some supply during this time, but this will vary depending on availability.

### Library

Mrs King, Miss Logue and our Literacy Leaders have been working with Cardonald Church to open the temporary library.

This will be ready to open on 26<sup>th</sup> February, and all classes will visit during book week.

### PATHS Pals

Children have been trained to be PATHS Pals which will involve them working with other children in the playground to help with games and support to ensure everyone is included.

### Gym Hall Roof

There have been some concerns over the gym hall roof. We do still have some issues when it is heavy rain and wind. We have had this checked and are waiting for a repair. However, the gym hall is useable in this time.

### Screen

We are very pleased with our new screen on the stage. This has already made a huge difference to our assemblies and P7 Burns event.
