

# HT Parent Council Report

Report for 3<sup>rd</sup> June

## Sport Day

We had a successful Sports Day and our Sports Leaders were amazing organising and supporting the children. We raised £132 for Cardonald Foodbank.

## Sponsored Fun Run

Primary 6 had a great day at their fun run and raised £655 towards the bus for their residential trip in June.

## Trade House Award

This is an award for our school's links with the local community. Our submission can be seen on the school website. 3 pupils presented this and were awarded Runner Up. There are only 2 runners up, and this is open to schools all Glasgow schools.

## Library

We are doing a small re-vamp of the school library to give a re-fresh for the new school year. Watch this space ....

## Parent / Children Sessions

All our sessions – dance, yoga and karate, have been very well received and we have had positive feedback.

We would love to continue sessions like this and welcome ideas on how we can encourage more parents to participate.

## Rights Respecting Schools – Gold

Following our successful silver award, we are ready to go for Gold next session and hope to be assessed for Gold in Term 4 next year.

During the assessment for silver the contributions from parent volunteers were wonderful. Part of our feedback is to encourage parents to have a more regular role in our Rights Respecting School journey and we would love to have a parent on our RRS committee next year.
