We will begin the process of recruiting and training Credit Union volunteers from our P7 year group, with a view to beginning collections after September weekend.

## **Whole School Open Afternoon**

Wednesday 18<sup>th</sup> September will be our whole school open afternoon. More information on the organisation of this will go out to parents this week.

## **Scottish Maths Week**

This will take place 23<sup>rd</sup> – 26<sup>th</sup> September. Mrs Strang and the Mathletes will organise this week and further details will go out to parents. The theme this year is Maths in Stories. There are many activities planned that allow the upper and lower classes to work together. As in previous years, we will finish the week with Dress for Work Day.

## **Quality Improvement Officer**

Sarah Richford will be our new link QIO at Cardonald.

## **Paired Reading**

Paired reading will soon be starting again with pupil in P4. Thank you to those who have volunteered.

## **Reading with Dogs**

Following the success of this last session we are pleased that Angela is back working with us every Monday afternoon.

### **Kindness Room**

This room is looking great and we just have a few finishing touches to add. This room will be used for small groups to do Wellbeing groups and mindfulness activities. Part of the donation for this room has been used to buy games for the Lego club which is open at breaks for P4 – 7 pupils supervised by Ms Mohd.

### **Loose Parts Play**

We now have loose parts play resources and outdoor learning bags stored in huts in the school carpark.

Classes have paired up (an upper class with a lower class) to go out for loose parts play sessions.

We also plan to take classes out of the school into the local area once a term.
