HT Parent Council Report

Report for 4th February 2025

Gym Hall

As communicated in the group call at start of last week, there is no update to the gym hall ceiling being repaired. The storms damaged shutters and they are due to be repaired this week. We are able to run our breakfast activity club and when it is dry P2s have a football lunch time club once a week, but cannot run after school clubs for now.

Children's Mental Health Week

Children are working on activities in class linked to mental health and their feelings. More information on this was sent out via group call including ideas for how to support Children's mental health at home.

Book Week

3rd – 7th March
Unfortunately, we cannot do our usual visits to Cardonald Library as it is still closed. Our pupil groups are continuing to raise awareness and encourage support of the community library campaign.
We will have many book themed activities in school. More details to follow!
On 20th February P2 – 7 will see a production of the Railway Children in school. The usual Book Week dress up day with be on

Primary 7 Residential

Last week P7s were in Blairvadach. This residential trip went well and gave all the pupils an opportunity to try something new. Next week there is a meeting for P6 parents to begin planning their residential for next year. Unfortunately, this will not be Blairvadach. Blairvadach is cheaper than other locations due to its links with Glasgow City Council. We hope to fundraise to help with the cost of next years trip.

Girls Football Team

Girls football team has started again with their first game tomorrow at Nethercraigs.

Seasons for Growth

Mrs King's P4 and P5 group has had a high number of children asking to be part of the group. There is a limit to numbers in the group and therefore, we have had to carefully select the children to be part of this and unfortunately others who wanted to join cannot on this occasion.
