

HT Parent Council Report

Report for 6th May

VE Day Celebrations

Children presented at assembly today sharing information about VE day and what it is about. We plan to organise a VE day celebration in school inviting pensioners from the local community in for tea.

Sport Day

This is planned for Wednesday 28th May at Nethercraigs again following the success of last year.

Sponsored Fun Run

Mrs Strang has organised this for the Primary 6 year group to raise money towards their residential trip. They will be running in costumes through Barshaw Park next Thursday.

Staffing

It will into June before we can give information about classes for next year. We do not yet confirmation of our staffing for next year, but we are aware of several changes.

Mr Campbell was only with us for one year and will be moving on.

Miss Malik will be leaving us at the end of June for a 2-year secondment in Australia.

Miss McCall will be going on maternity leave at the start of new school year.

Sadly, we are saying a fond farewell to Mrs Cillies and Mrs Scally who are retiring at the end of this school year. They will both be very much missed. Mrs Cillies has taught at Cardonald Primary for 30 years. Mrs Scally has been at Cardonald Primary 24 years.

Bluesky 

From August, we will be moving from Twitter to Bluesky to share updates and our learning. cardonaldps.bsky.social

Information on this will go out to all parents in August and will be shared with pre-entrants as part of the induction programme this month.
