

HT Parent Council Report

Report for 7th October 2025

Reading Schools

Having reflected on all the wonderful work we already do to support and encourage reading at Cardonald Primary we have decided to apply for a Reading Schools Award.

As part of this we have recently added to the many ways we promote reading for enjoyment by linking with local businesses and having Ravy Davy and Jordan from Spuddies read to our pupils.

They all loved this!

More information about reading schools to come in in Term 2 and Mrs King will be linking in with the paired reading volunteers.

Bikeability

All P6s who wanted to participate in Bikeability have now passed level 1 and will begin level 2 after the October break.

Children's Voice

We are keen to have children's voice in all aspects of school life and going forward will have a school improvement group made up of 4 P7 pupils.

Going forward this group will be involved in writing and evaluating our school improvement plan (SIP).

As the SIP is already written and submitted for this academic year we will work with this group in the coming weeks to produce a version of the current SIP in child friendly language.

Afterschool Clubs

In term 2 P5 and P6 will be offered football from Rangers coaches and P6 and P7 will be offered boxing.
