

March 2021

Maths Week and Book Week

Our first maths week in 2020 was a great success and book week is always an exciting week in school so we didn't want our pupils to miss out on these due to the current lockdown.

Mrs Strang's online maths week was fabulous and we noticed increased engagement online throughout the week. STEM Glasgow, PEPASS, Glasgow Counts and Developing the Young Workforce all commented on our great work on twitter.

Mrs King's book week - particularly the masked reader has generated a buzz both online and around the school and we have loved seeing so many children at home and in school engaging with many literacy activities. The Literacy Leaders who are in school have been working with P1 -3 on drama and art linked to Literacy.

Red Nose Day - 19th March

Primary 1 and Miss McCall are organising Red Nose Day this year! Any small donation would be welcomed but please do not feel you have to donate to join in on the fun! Watch out on Teams and Twitter for more information!

Return to School

All of our P1 - 3 pupils have now returned to school and are all settled and happy to be back.

We are pleased to hear that P4 - 7 will be returning to school on Monday 15th March. We look forward to welcoming them all back.

Thank you again to all our parents for working so well with the children during lockdown it is much appreciated.

Please be assured that we are following all Glasgow City Council risk assessments and reviewing the implementation of these weekly.

School Gate

Thank you to all parents who have supported the school and the safe return by wearing masks at pick up and drop off and not waiting around the school perimeter at any time. It is important that we continue with this and we would urge all parents to show consideration for the safety of others by leaving the school area promptly after drop off and pick up.

Communication

Class teachers have spoken to almost all parents on the phone to check in on how online learning is going and we hope that you have found these phone calls useful. As always please contact the school if you have any concerns or questions on 01418839668 or email headteacher@cardonald-pri.glasgow.sch.uk

Unfortunately we still cannot invite parents into school for meetings.

Reports

Our usual yearly reports will be sent on 7th May.

School meals and Breakfast club

The full fuel zone menu is back for school meals (including soup) and week one menu started on 22nd February.

We have no information about breakfast club yet but we expect this will start back when P4 - 7 return. We will be in touch as soon as we have more information.

Take care and stay safe everyone!
