

Rosshall Learning Community Commonwealth Baton

Rosshall Learning Community Baton

To celebrate the Commonwealth Games coming to Glasgow, all Glasgow schools have been twinned with a country from the Commonwealth. Cardonald have been twinned with Saint Kitts and Nevis.

Each learning community in Glasgow have been given a wooden baton to carry out their own baton relays within the learning community.

We will be welcoming our Commonwealth Baton from Sandwood Primary School on Thursday 21st May at 2pm. Our pupils will gather to welcome the baton and form a guard of honour.

The baton will remain at Cardonald until 29th May, and in this time, we will celebrate the launch of the Commonwealth Games at a whole-school assembly with Finnie the mascot.

Some of our pupils will then cycle to Craigton Primary School on Friday 29th May at 2pm to continue the baton's journey across our learning community.

To celebrate these special events, on both days children are invited to wear something **blue or white** to represent the Scottish flag, or **red, green, yellow or black** to represent our twinned country, Saint Kitts and Nevis.
