Progress with our School Improvement Plan

Priority 1

Family Engagement

- ✓ Play Along Maths introduced for families in P1 – 3.
- ✓ Stay and Play Active Play sessions for P2.
- ✓ Successful Open Afternoon for families to visit classrooms attended by 90%+
- ✓ McMillian Coffee morning well attended
- ✓ Read, Write, Count sessions attended by 50% of P3 parents and 75% of P2 parents.
- ✓ Christmas Concert for P3 – 7 Families to attend
- ✓ Easter Crafternoon P1 – 4.
- ✓ Class Assemblies throughout the school year.

Priority 2

Creating Curriculum Rationale and School Policies

- ✓ Whole staff collegiate work to provide consistent approach across learning.
- ✓ Literacy Policy created and maths Policy updated and shared on website.
- ✓ Profile of School Values increased in school with pupils.
- ✓ All staff engaged with evaluating pedagogy and ethos using How Good Is Our School?
- ✓ Curriculum Rationale created and displayed

Other achievements we are proud of

- ✓ Following on from our Scottish Enterprise Project and supported by Parent Council we have developed Kindness Room and used this for work with a number of support groups including Quarrier and Seasons for Growth.
- ✓ We competed in a number of events including Determined to Dance, Gymfest, Super 7s Athletics, Cross Country, Badminton and Football.
- ✓ Following our work with Learning through Landscapes we now have a wealth of resources for outdoor learning and loose parts play which the children have enjoyed this session.
- ✓ Our commitment to the Daily Mile was showcased on STV news and we started a new Daily Mile Challenge – Beat You to Berlin!
- ✓ We added to our many pupil groups with Digital Leaders who have been helping the P1 – 3 classes learn how to use a variety of apps on the iPads.

Our Improvement Priorities for Session 2024 – 2025

Achievement and Progress

Increase opportunities for family learning and engagement.

Improve Attendance

Teaching and Learning

Develop our ongoing classroom assessment to improve children's ability to assess their own work and talk about their next steps in learning.

Wellbeing, Participation and Inclusion

Provide more opportunities for Pupils to share their views on school and their wellbeing.

Children will be able to demonstrate an understanding of their rights.
