

Cardonald Primary School Sports Day 2021

Dear Parent/Carer

Due to current restrictions we are unable to hold our annual Sports Day in the usual way. However, we have planned an alternative version which will allow the children to work as a team to earn points for their 'allocated country', whilst participating within their own class bubble.

The event will be held over 3 days **8, 9, 10 June** and will take place outdoors in the large P7 playground. The children will be split into 1 of 9 of the Uefa Euro 2021 participating countries and they will be asked to wear a colour(s) of the country they are representing i.e. if they are Scotland they can wear a blue or white top. We would like to emphasise that nothing new should be bought, if your child doesn't have a particular colour they should wear their school polo shirt. Children should come to school dressed appropriately for taking part in sports activities, and also be aware of the weather conditions. If the weather is sunny it may be advisable to apply sun screen before coming to school and bring a hat. They should also bring an extra water bottle.

Each child will receive a letter detailing their day, time and allocated country.

Unfortunately, due to current restrictions we are not permitted to invite Parents/Carers to attend the event, however we will be taking lots of pictures and videos which we will post via the school social media platforms.

Yours sincerely

Mrs D Strang
