

Vocabulary dress-up day!

Wednesday, 22th November

Words are the building blocks of society. They help us to communicate and deepen our understanding. Nowhere are words more important than in school. Vocabulary impacts on learning, because to understand what we read, to master maths or to make sense of science, we must first understand the words and what they mean. So, let's celebrate wonderful words!!

Children can come to school dressed up as a word of their choice. Please do not go to any expense. Children have been shown examples in school and there are many examples online.

Ideas to develop vocabulary at home can be found on our website in literacy under home learning tab.
